BBA WITH KPMG

3 YEAR FULL-TIME PROGRAMME

WELCOME TO THE BBA WITH KPMG PROGRAM

At IFIM College, we are proud to offer a unique BBA program in collaboration with KPMG, a global leader in professional services. This program is designed for students who aspire to excel in business administration while gaining insights from industry experts.

Founded in 1995, IFIM College has established itself as a premier institution for higher education in India. Located in the vibrant city of Bangalore, the college is recognized for its commitment to academic excellence, innovative teaching methodologies, and strong industry connections.

THE BBA WITH KPMG PROGRAM

The BBA with KPMG program at IFIM College is a transformative educational experience designed for aspiring business leaders. This innovative program has been co-designed and delivered by KPMG India, that combines rigorous academic training with practical insights from one of the world's leading professional services firms, KPMG. By bridging the gap between theory and practice, the program equips students with the knowledge and skills necessary to thrive in today's dynamic business environment.

CURRICULUM OVERVIEW

The curriculum is thoughtfully crafted to cover essential business disciplines, including marketing, finance, human resource management, and business analytics. Each course incorporates real-world case studies and projects, allowing students to apply theoretical concepts in practical settings. Through this immersive learning approach, students gain critical thinking, analytical, and problem-solving skills that are highly sought after in the corporate world.

Key aspects of the curriculum include:

Real-World Case Studies: Students analyze and work on actual cases faced by businesses, allowing them to apply theoretical knowledge in practical contexts.

Emerging Trends: The curriculum includes modules on digital transformation, data analytics, and sustainability, equipping students with insights into the future of business.

Skill Development: Emphasis is placed on critical skills such as data analysis, strategic thinking, and effective communication, which are crucial for success in any business role.

PROGRAM CO-DELIVERY

In addition to curriculum design, KPMG professionals play an integral role in co-delivering the program. Students benefit from their direct involvement through:

Guest Lectures and Workshops: Regular sessions with KPMG experts provide students with firsthand insights into industry practices, challenges, and innovations.

Mentorship Opportunities: Students have the chance to engage with KPMG professionals as mentors, offering guidance on career paths and professional development.

Live Projects and Internships: The collaboration facilitates opportunities for students to participate in live projects with KPMG, allowing them to gain practical experience and develop a strong professional network.

PROGRAM HIGHLIGHTS

Industry Collaboration: Experience a curriculum that combines academic rigor with real-world application, shaped by insights from KPMG professionals.

Holistic Development: Focus on skill enhancement through workshops, seminars, and guest lectures from industry leaders, preparing you for a successful career.

Global Exposure: Gain an understanding of international business practices through case studies and projects that have a global perspective.

— Meritorious Scholarships on merit-cum-means basis to students through: 10th, 12th & ISAT

— EWS Scholarships (below 5 lakhs annual income)

INDUSTRY COLLABORATIONS

One of the standout features of the BBA with KPMG program is its collaboration with KPMG professionals. This partnership enriches the learning experience through guest lectures, workshops, and mentorship opportunities, providing students with direct insights into industry practices and trends. Students engage in live projects and internships, enabling them to work alongside experts and gain invaluable hands-on experience.

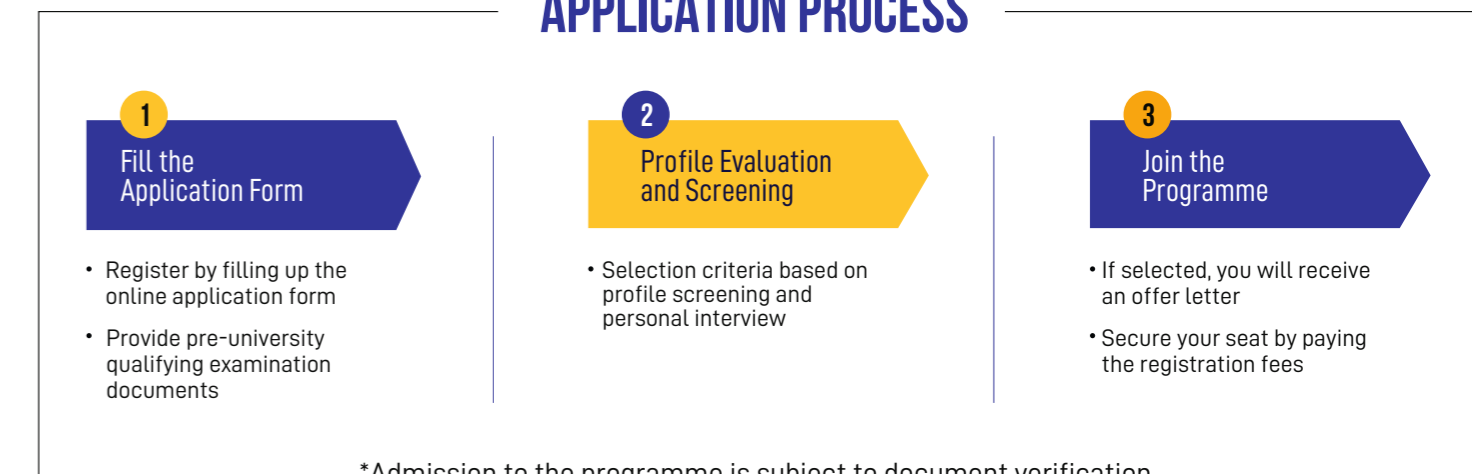

CAREER READINESS

In today's competitive job market, employability is paramount. The BBA with KPMG program is designed to enhance career readiness through focused skill development. Students participate in personality development sessions, resume-building workshops, and mock interviews, ensuring they are well-prepared for job placements. The program also offers access to KPMG's extensive network, opening doors to internships and job opportunities in leading companies.

ELIGIBILITY CRITERIA

- The candidate seeking admission to the BBA programme should have appeared/passed pre-university/10+2 or equivalent examination from any recognized university or board.
- The candidate should have scored 50% or above in their 10th and pre-university/10+2 or equivalent examinations.
