

EMPOWERING CAREERS THROUGH CONTINUOUS LEARNING & EMPLOYABILITY

Guided by IFIM's Centre for Continuous Learning & Employability (CCLE), our students graduate career-ready - equipped with the skills, exposure, and confidence to thrive in the world of work.

The Centre for Continuous Learning & Employability (CCLE) plays a pivotal role in bridging the gap between academia and industry at IFIM. Through a structured approach that integrates career counselling, employability training, and industry immersion, CCLE ensures every student is prepared for a successful transition from classroom to career.

With strong relationships across leading corporates, startups, and global organizations, CCLE facilitates internships, mentorships, and final placements for students across diverse sectors.

IFIM's focus on practice-based learning, coupled with its strategic industry partnerships, results in graduates who are not only employable, but in demand.

WHERE YOUR JOURNEY TAKES SHAPE.

IFIM Institutions - Shaping holistic, future-ready individuals for tomorrow.

At IFIM, education is more than a pathway to a career - it's a journey of growth, purpose, and transformation. Our programs, mentors, and campus experiences are designed to nurture intellect, integrity, and individuality, helping you become a confident, ethical, and future-ready professional. Here, you don't just prepare for the world - you're empowered to make an impact on it.

JOURNEY OF IFIM INSTITUTION

Established in 1995, IFIM Institutions have grown into a dynamic ecosystem of learning that combines academic excellence with industry relevance. Guided by a vision to nurture well-rounded, future-ready professionals, IFIM has continually evolved to meet the changing needs of the world of work. Over the years, it has expanded its academic offerings, deepened its industry engagement, and strengthened its focus on holistic development. Every milestone in this journey reflects IFIM's enduring commitment to quality education, innovation, and building character - shaping individuals who lead with purpose and integrity.

MISSION

To nurture holistic, socially responsible and continuously employable professionals.

VISION

To be the most sought-after destination for quality education in India.

STUDENT LIFE AT IFIM

At IFIM, learning goes beyond textbooks - it's an experience that shapes confident, responsible, and future-ready individuals. The vibrant campus life encourages students to explore passions, discover strengths, and apply knowledge in real-world contexts. Through cultural events, leadership forums, social initiatives, and professional clubs, they develop teamwork, empathy, and problem-solving skills by doing. Signature events like Kanyathon, Aura - the Annual Cultural Fest, Shiksha Aadhar, Concordat Moot Court, and International Conferences connect learning with purpose. Every experience - from academic symposiums to cultural celebrations - nurtures self-discovery and holistic growth, preparing students to succeed in their careers and in life.

Marketing Club

Where big ideas meet brand power. Students brainstorm campaigns, organize marketing challenges, and learn how storytelling drives business success. From social media trends to consumer behavior, this club makes marketing come alive.

HR Club

Focused on leadership, empathy, and workplace culture, the HR Club turns theory into practice through simulations, case studies, and expert sessions. Members learn what it takes to build teams that thrive.

Analytics Club

Numbers with meaning, insights with impact. Through hands-on projects, tool training, and competitions, students explore how analytics powers modern business decisions, transforming data into action.

Finance Club

From decoding stock markets to analysing budgets, the Finance Club gives students a front-row seat to the world of finance. Engaging discussions, mock trading, and guest sessions help sharpen both logic and instincts.

E-Cell (Entrepreneurship Cell)

The startup playground of IFIM. E-Cell empowers innovators to ideate, pitch, and prototype their ventures through hackathons, mentorship sessions, and networking with real entrepreneurs.

News Club

The pulse of IFIM's community. The News Club keeps the campus informed and inspired - covering events, trends, and stories while helping students hone writing, reporting, and communication skills.

STUDENT COMMUNITIES THAT INSPIRE GROWTH.

At IFIM, student clubs are more than extracurricular groups - they're dynamic

communities that shape experiences, friendships, and future leaders. Run entirely by

students, these clubs are hubs of creativity, collaboration, and real-world learning.

Whether it's strategizing a marketing campaign, decoding data, pitching startups, or

reporting campus buzz, each club offers the freedom to explore passions, gain

professional skills, and have fun along the way.

B.Com with CMA (US) - Master global accounting and management standards.

B.Com with Enterprise Risk Management (IRM) - Develop expertise in risk analysis & mitigation.

BBA - KPMG IN INDIA

3-Year Full-Time Programme | Co-Designed with KPMG in India

Hands-On Learning for a Brighter Future

IIFIM, in collaboration with KPMG in India, offers a specialized BBA program that builds globally skilled, business-ready finance and accounting professionals. The curriculum integrates international accounting standards (IFRS), Indian taxation, and industry tools, blending academic concepts with real-world application. Delivered jointly by KPMG professionals and IIFIM faculty, the program uses a hybrid learning model with masterclasses, mentorship, and career coaching from KPMG experts.

Specializations

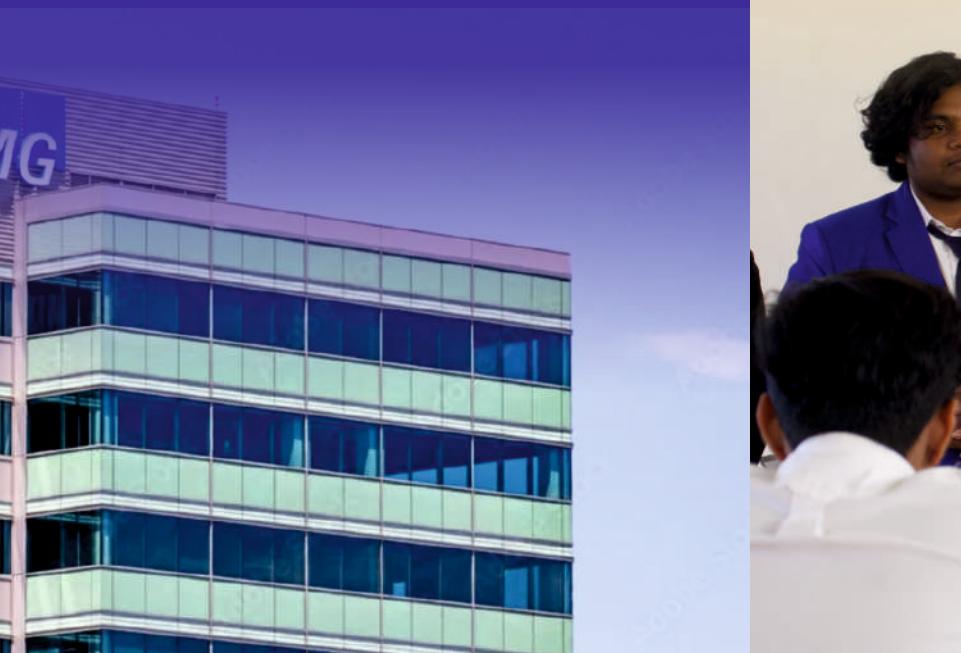

Pathways

Gain hands-on exposure through case studies, client simulations, and live projects guided by KPMG professionals. Graduates emerge ready for roles such as Financial Analyst, Tax Advisor, or Equity Research Analyst, with industry opportunities and mentorship embedded throughout the journey.

What Sets It Apart

- Co-designed and delivered by KPMG in India
- Real-world learning through industry projects and immersions
- Career mentorship from KPMG professionals
- Merit-based scholarships up to 50%
- Globally aligned curriculum focused on employability and practical experience

BACHELOR OF COMPUTER APPLICATIONS (BCA)

3-Year Full-Time Programme

Specializations in AI & Software Engineering

Building Tomorrow's Tech Leaders

IIFIM's BCA programme prepares students for the evolving world of technology through a curriculum that blends computer science fundamentals with next-generation specializations. With dedicated tracks in Artificial Intelligence and Software Engineering, students gain hands-on experience in programming, data analytics, machine learning, and full-stack development. Guided by industry-experienced faculty and supported by state-of-the-art tech labs, the programme nurtures innovators and problem-solvers ready to shape the digital future.

Specializations

Pathways

BCA in Artificial Intelligence - Master AI and machine learning concepts through real-world projects and data-driven applications.

BCA in Software Engineering - Develop expertise in coding, design, DevOps, testing, and agile software development.

BBA LL.B

5-Year Integrated Programme | Affiliated to KSLU | Approved by BCI

Blending Business Insight with Legal Expertise

The BBA LL.B at IIFIM School of Law combines management education with rigorous legal training, preparing students to navigate both corporate and judicial landscapes. The integrated curriculum builds strong foundations in business, finance, and law, enabling students to understand the intersection of commerce and legal frameworks. With a focus on holistic and experiential learning, students engage in moot courts, research projects, and internships that foster analytical thinking, social responsibility, and industry readiness.

Specializations

What Sets It Apart

Integrated learning of law and management for a unique corporate edge. Industry mentorship, internships, and moot courts for real-world exposure. Faculty from Law and Management Schools, blending theory with practice. Focus on holistic development through co-curricular and research activities.

LL.B

3-Year Full-Time Programme

Affiliated to KSLU | Approved by BCI

Building Industry-Ready Legal Professionals

The LL.B programme at IIFIM School of Law is designed for graduates aspiring to transition into the legal profession. Combining academic rigor with experiential learning, the programme blends online and offline learning to provide a holistic understanding of law and its real-world application. Students engage in research, case analysis, and moot courts to develop advocacy, reasoning, and professional ethics - preparing them to excel across judicial, corporate, and policy domains.

Specializations

What Sets It Apart

- Socratic Learning Approach - Encourages dialogue, debate, and critical thinking.
- Industry Mentorship & Internships - Build practical skills and professional readiness.
- Research & Legal Writing Labs - Promote experiential, hands-on learning.

PRACTICE-DRIVEN EDUCATION FOR HOLISTIC GROWTH
